REGISTRATION AT SCSU

At St. Cloud State University enrollment requests may be processed by accessing the Online Registration and Student Information System (www.stcloudstate.edu/registeronline/).

Before attempting to register, read all instructions regarding academic and procedural requirements. Office of Records and Registration personnel will answer registration procedure questions on the student registration "HELP" line, (320-308-3936) or through e-mail via the registrationhelpdesk@stcloudstate.edu.

ONLINE REGISTRATION AND STUDENT INFORMATION SYSTEM

The Online Registration and Student Information System may be used to confirm an assigned registration time, add and/or drop classes, search for open classes, view a class schedule, view academic record, view/change a local, permanent or billing address, and check for grades and holds. The system may be accessed through the SCSU home page at www.stcloudstate.edu and choosing "Registration."

RESPONSIBILITIES

All financial, academic and other "holds" must be cleared before attempting to add. It is important that all financial obligations are paid as soon as they become due. A late payment will mean a delay in accessing Online Registration.

Students will be held responsible for all transactions and adjustments made to their class schedule using Online Registration and all financial and academic consequences that result from that schedule.
