CENTENNIAL HALL

This new Learning Resources Center will have 133,240 square feet of space and serve 10,000 students by the standards proposed by the American Library Association. In addition to housing the new library, the center will provide more efficient learning through closed-circuit audio and video equipment. Students may re-listen to a professor's lecture and even review a lecture on film in the future. The building will have the capacity one day to hook up with the information-retrieval-dial-access system so a student may obtain any book, document or periodical from any college library in Minnesota. There will be study space for 2,200 students and the library will house 474,000 volumes, with space for 5,000 reserve books, 25,000 reference volumes, 35,000 articles in the special collections file, 25,000 documents and 10,000 current periodicals.

COLLEGE HYMN

by

AMY DALE

Sing in praise to thee our College,
High on oak-crowned banks,
Emblem of our search for knowledge,
Symbol of our youthful ranks.
Filled with fires of true ambition,
Let us ever be;
Loyal to thy fine tradition,
Hail, St. Cloud, to thee.

By the river's flowing waters,
By its islands fair,
May the loyal sons and daughters,
Thy enduring friendship share.
May they with sincere ambition,
Through the years e'er be;
Loyal to thy fine tradition,
Hail, St. Cloud to thee.
