## FACULTY AND PROFESSIONAL SUPPORT PERSONNEL LISTINGS

Directory information for university employees was typeset from a computer printout. Each person was asked to complete an Employee Data Record form. Efforts were made to include everyone who was newly appointed or had completed this form by September 23, 1982. Home addresses and phone numbers were excluded on request. The faculty listing includes part-time faculty members and student assistants. Several faculty office phone numbers may be changed during the 1982-83 academic year. As they occur, changes will be noted in *University News*, a newsletter for university employees.

## STUDENT LISTING

The directory information about SCSU students was typeset from a computer tape using data supplied by students during spring registration. Students were able to update addresses and telephone numbers by filling out Change of Address forms September 20-23, 1982.

The cutoff date for inclusion in this year's directory was September 23. All students enrolled in at least one on-campus course before September 23 should be listed if they completed the Change of Address form, with the exception of those whose hours are all arranged, such as student teachers, off-campus interns and students enrolled in overseas programs.

Students who change their addresses or phone numbers during the current academic year should complete a Change of Address form at either the Office of Student Life and Development in Atwood Center or the Office of Admissions and Records in the Administrative Services Building.

The Family Educational Rights and Privacy Act of 1974 entitles students to restrict the release of directory information. Students who have filed a statement to this effect at the Office of Admissions and Records are not listed in this directory.

DIAMOND BUYING  
IN A NEW LIGHT.**

Diamond Brokers is not a retail jewelry store. We always explain features that determine the value of a diamond. And like a jewelry store, we offer a wide range of fine quality. So what's the difference? Price. You'll save 30% over regular jewelry store prices. So look at diamond buying in a new light. Look to Diamond Brokers.
