What's in your locker? When did you last clean it out? Would you please cooperate with the defense work of the Good Housekeeping committee of F.T.A. by cleaning your locker of unnecessary waste paper and thus eliminating fire hazards to our building!

WEAR IT OUT!! Conservation of clothing plays a big part in the winning of this war. You can help!

1. Completely wear out all wearing apparel.
2. Mend clothing while damage is small.
3. Hang up all of your clothing all of the time.
4. Have clothes cleaned by a reliable cleaner.
5. Remove all spots at once!

BE DEFENSE MINDED--Every time you scatter gum and candy wrappers in the library halls, you necessitate the use of work hours that are needed for much more important uses. This seems like a small matter but it runs up in the end.
