What's the Record for the 100 Copy Dash?

On Your Mark...

At Kinko's we train year 'round to give students, staff and faculty at SCSU the fastest copying service possible. That means we're quick to greet you when you enter our store, quick to understand your copying needs, quick to help you, and *quick to make the copies you want!* We're brisk about binding as well, and swift to give you a hand in the self-service copying area of our store, and fleet on instant passport photos too. Training, experience, and equipment help give us an edge. Even more important is

our abiding desire to make the fastest quality copy possible.

Get Set...

Sure, speed is essential on the copying circuit. But copy champions must have heart as well. That's why we're open Saturdays and Sundays, and why we open early during the week and stay open late Monday through Friday. We make a lot of promises to our customers too, and we keep them all. That's heart. We train hard for the sprints, but in the long run we're a sure bet.

Copy!

Maybe there's no official record for the *100 Copy Dash*. You might think nobody cares enough to keep track. We know better. Most of our customers have stop-watches in their pockets. That's why to us every copy is a race. We almost always win and so do our customers.

FACULTY AND PROFESSIONAL SUPPORT PERSONNEL LISTINGS

Directory information for university employees was generated from Administrative Computer Services, converted to a CPT floppy disk updated in Public Relations and Publications, and telecommunicated to a typesetter. Each person was asked to complete an Employee Data Record form. Efforts were made to include everyone who was newly appointed or had completed this form by September 11, 1987. Home addresses and phone numbers were excluded on request. The faculty listing includes part-time faculty members and graduate/teaching assistants. Office phone number changes will be noted in *U-News*, a newsletter for university employees.

STUDENT LISTING

The directory information about SCSU students was typeset from a computer tape using data supplied by students during spring registration. Students were able to update addresses and telephone numbers by filling out Change of Address forms September 21-25, 1987. The cutoff date for inclusion in this year's directory was September 24. All students enrolled at SCSU should be correctly listed if they completed the Change of Address form.

Students who change their addresses or phone numbers during the current academic year should complete a Change of Address form at either the Office of Student Life and Development in Atwood Center or the Office of Records and Registration in the Administrative Services Building.

The Family Educational Rights and Privacy Act of 1974 entitles students to restrict the release of directory information. Students who have filed a statement to this effect at the Office of Records and Registration are not listed in this directory.
