COBORN PLAZA APARTMENTS AND WELCOME CENTER

Fifth Avenue South and Ramsey Place
St. Cloud State leases a 453-student housing complex and 12,000-square-foot Welcome Center in Coborn Plaza. Located a block north of campus, Coborn Plaza honors the Coborn family whose grocery chain had a store on the site. The Welcome Center and housing complex opened August 2010. About 20,000 square-feet of retail space is being developed beneath the student housing.

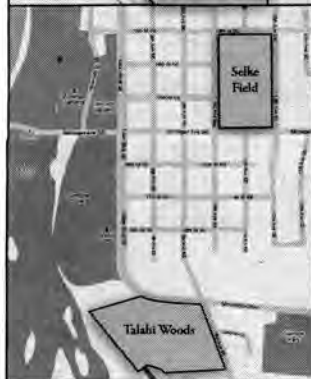

GEORGE FRIEDRICH PARK

East end of University Drive
This wooded property is home to abandoned granite quarries and a former outdoor swimming facility. It was named for a George Friedrich, a biology professor and State Conservation Board member who urged the college to purchase the parcel in 1934. Trees include aspen, cedar, oak, ash and pine. Access is from the east end of University Drive. The tract is bounded by Minnesota Correctional Facility-St. Cloud property on the south and U.S. Highway 10 on the east. A planned extension of University Drive is expected to skirt north of the park.

MINNESOTA HIGHWAY SAFETY AND RESEARCH CENTER

1805 U.S. Highway 10
Located on 160 acres east of campus, the center's three miles of paved track and two miles of gravel track host year-round vehicle training. Offerings include driving skills courses for law enforcement personnel and construction truck operators. The center is north of Sand Prairie Wildlife Management Area on U.S. Highway 10.

SAND PRAIRIE WILDLIFE MANAGEMENT AREA

East of campus on U.S. Highway 10
St. Cloud State owns 70 percent of this 700-acre natural area, which is managed by the Department of Natural Resources. Sand Prairie has two restored wetlands, a restored prairie, native prairie brush land and woods. Beaver, deer, fox, green herons, American woodcock, blue-winged teal, sand hill cranes, wild turkey and other wildlife can be seen from the observation deck, boardwalk and trails.

SELKE FIELD

1000 block of University Drive
Opened in 1930, Selke Field features 17 acres of irrigated athletic and recreation green space that is home for Intramural Leagues, Sport Club tournaments, SCSU Huskies Softball, and various community events. The facility contains two team dugouts, bleacher-style seating, batting cage, home and visitor bullpens along with seating for the media. The entire Selke Field complex is encircled by its trademark granite wall, which was constructed as part of the WPA program in the 1930s. It is located five blocks east of campus on University Drive.

TALAH WOODS

Minnesota Boulevard and Ninth Avenue Southeast
Talahi Woods is on the Mississippi River south of Riverside Park. The elevated woody tract offers views of the Beaver Islands. It is fenced on its landward side, which abuts Killian Boulevard/Minnesota Drive/9th Avenue SE. Its trails are used by students and the public for casual recreation, especially cross country skiing. Faculty sometimes use it for class activities.

TWIN CITIES GRADUATE CENTER

6401 Sycamore Court N., Maple Grove, MN 55369
St. Cloud State leases space for professional-level graduate classes and programs in Sycamore Plaza, Maple Grove. Located near I-494 and Bass Lake Road, the Twin Cities Graduate Center's offerings include courses in educational counseling, business management, and regulatory affairs and services.
