## FACULTY AND PROFESSIONAL SUPPORT PERSONNEL LISTINGS

This year's directory information about St. Cloud State University employees was typeset from a computer tape. Each person was asked to complete an Employee Data Record form. Efforts were made to include everyone who had been newly appointed or had completed this form by September 27, 1976. Home addresses and phone numbers were excluded on request.

## STUDENT LISTING

The directory information about SCSU students was typeset from a computer tape using data supplied by students during spring registration. Students were able to update addresses and telephone numbers by filling out Change of Address forms September 20-23, 1976.

The cutoff date for inclusion in this year's directory was September 23. All students enrolled in at least one daytime on-campus course before September 23 should be listed if they completed the Change of Address form, with the exception of those whose hours are all arranged, such as student teachers and students enrolled in the Denmark program.

Students who change their addresses or phone numbers during the current academic year should complete a Change of Address form at either the Office of Student Life and Development in Atwood Center or the Office of Admissions and Records in Administrative Services Building.

The following students have requested that either their address or phone numbers (or both) not be published in the directory: Rolf Hagberg, Ross Holloway, Kathleen Lewandoski, Deborah Linc, Stephen Marty, Joan Robinson, Mark Stafford.
