COVER. Sunlight silhouettes students crossing the walkway linking Brown Hall and the Mathematics-Science Center, the college's newest classroom building, completed in 1973. Faintly visible in the background is the cupola of Riverview, the college's oldest classroom building, completed in 1911. Photographer Cass Mackert, Information Services, selected this scene for the cover because it symbolizes the merging of past, present and future at St. Cloud State College.

A NOTE ABOUT THE STUDENT LISTING

This year the information contained in the student directory was typeset from a computer tape using data supplied by students on directory forms at registration. Every effort was made to update address and telephone numbers by allowing students to fill out Change of Address forms.

The cutoff date for inclusion in this year's directory was October 5, 1973. All students enrolled in daytime on-campus courses before October 5 should appear, if they took the time to complete the Change of Address form, with the exception of those whose hours are all arranged, for example, student teachers, students enrolled in the Denmark program, etc.

If a student's name does not appear here, or if the information is incorrect, he should complete a Change of Address form available from either the Office of Student Life and Development in Atwood Center, or the Office of Admissions and Records in Stewart Hall.

Our goal for the campus is to have persons of faith sharing and working together. We feel students, pastors, faculty, and administrators are a "community of servants" at Saint Cloud State College. We welcome a participation of persons from every level of our campus.

TELEPHONE SUGGESTIONS FOR BETTER SERVICE

It will help to provide better service than otherwise would be possible if all telephone users will observe these good telephone practices:

Find the correct number in the directory before you make a call.

Avoid calling "Information" unless the number is not in the directory.

Answer calls promptly — wait long enough for an answer — replace the receiver.

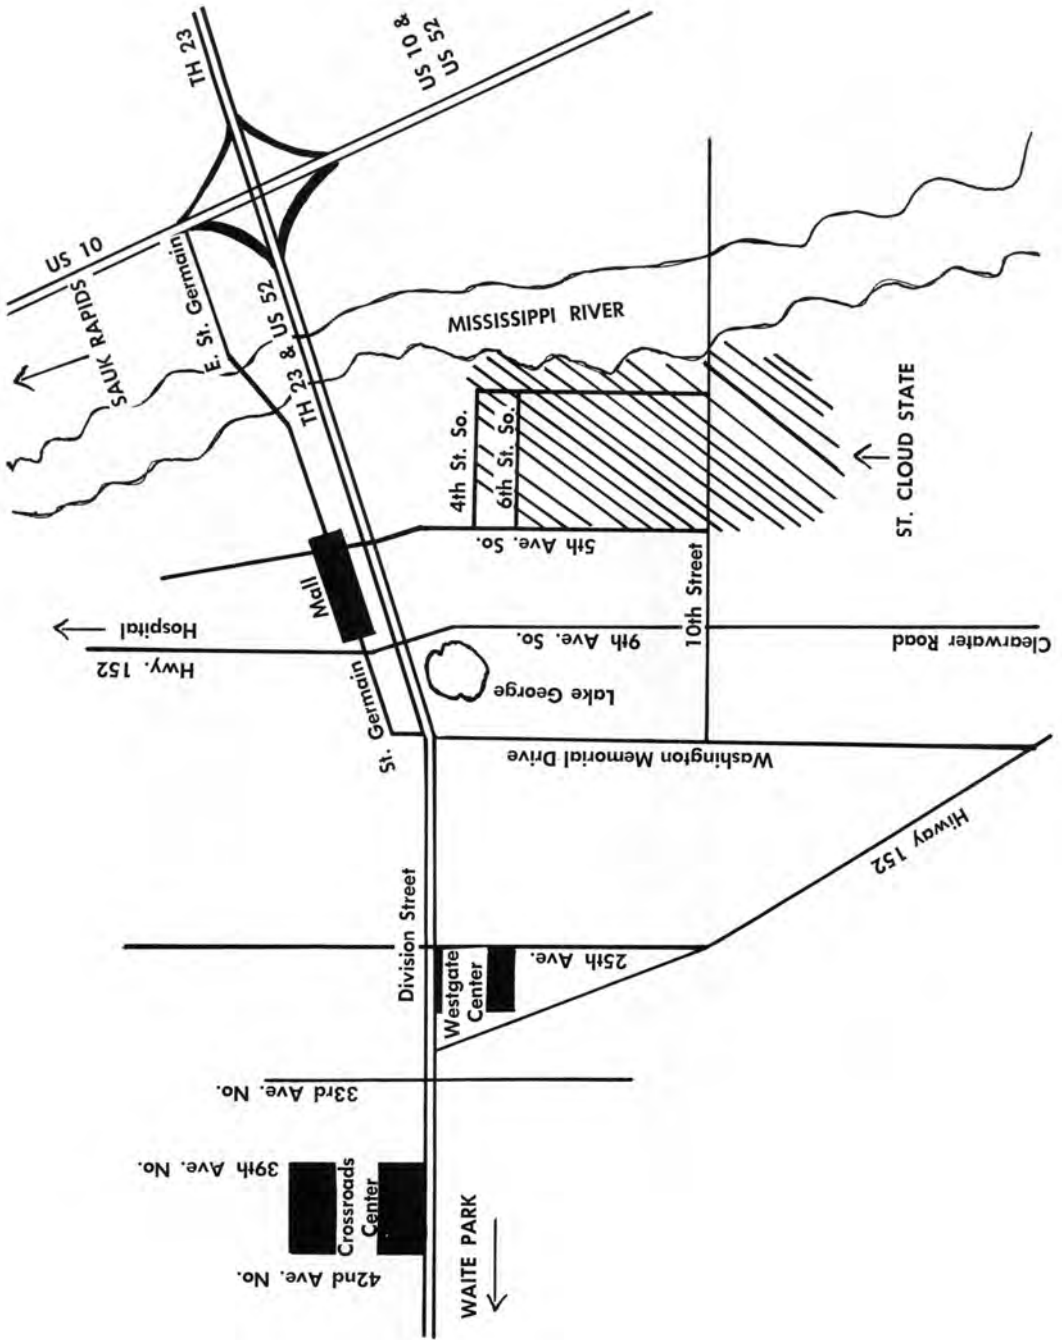

Be a good party-line user, keep from tying up the line with a series of calls and long conversations — wait between calls.

Refrain from making unimportant calls during serious emergencies, and for some time after. Take good care of this directory.

TRIPS,

WORRY.**
