For ten years the Student Directory has been published by the Talahi staff, the receipts from advertising going to help pay for the Talahi.

This year because it is uncertain whether or not there will be an annual, the Student Council took the responsibility of publishing the Directory.

If it is the wish of the student body that the college have an annual this year, the Council will turn over the advertising revenue to the staff to help defray the cost.

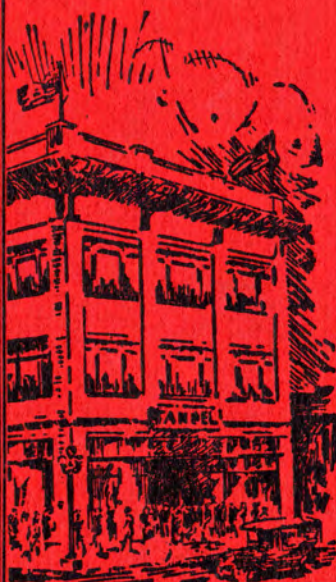

If however, the students reject the proposal to have a yearbook, the Student Council will retain the funds and put them to a different use.
