Beginning this week, convocation will be held twice a week, on Monday and Thursday at 10:20 a.m. This Thursday the speaker will be Mr. R. C. Jenkins, President of the State Teachers College at Danbury, Connecticut. His topic will be "The Man Who Complemented Mann".

Have you, as a teacher, ever been puzzled as to which of the many books published were the most useful for your school library? The U.S. Office of Education has studied this problem and has issued 500 BOOKS FOR THE SCHOOL LIBRARY. The Minnesota Department of Education's Library Division has endorsed this list and state aid will be given on any titles ordered from it. This bulletin may be purchased in the Library Office in the basement of the Library building. The price is only \$.15. Be sure to take a copy of this excellent list with you to help in selecting books for your school library.

Hear your speaking or singing voice or instrumental performance as others hear it. You may be in for a big surprise. This session student may make high fidelity records at a very low cost. \$.50 to \$2.00. All who are interested please put name, P. O. number, and phone number on a slip of paper and put it in the box marked "RECORD" in the post office.

The college library will be open Saturday until 4 p.m.

During the absence of the regular librarians, Miss Margaret Nichol森 will have charge of the library. She will be pleased to help in any way.
