The Classroom Teacher "The Silent Supervisor"

What Sixty Distinguished Educators Know About Teaching

Now, at the threshold of your careers you can secure the composite classroom experience of sixty men and women whose names and achievements are outstanding in the world of education. Their experience, their accomplishments, their daily practice—everything is revealed in a new and interesting way in **THE CLASSROOM TEACHER**. It is **not** an encyclopedia, **not** a "reference work," **not** a series of impractical shortcuts or pedagogic crutches, but a properly balanced, logically arranged combination of professionalized subject matter and the latest methods of procedure.

Let the Classroom Teacher be Your Guide

This attractively bound, twelve volume work has startled the educational world. Such masters as Mila B. Hillegas, Thomas Henry Briggs, William C. Bagley, and sixty others have given their best to this work. Over seven thousand pages, profusely illustrated with beautiful color plates of birds and flowers; hundreds of photographs and charts; scores of practical suggestions. Every illustration, every page of text has been prepared especially for you. Nothing has been "lifted" or "rehashed"—everyone

of the fifty-five departments bears the signature of the author.

THE CLASSROOM TEACHER covers every subject from the Kindergarten to the Junior High School inclusive. To the beginning teacher, it is a mine of information, a source of study, inspiration and guidance for years to come. To the master, it presents the opportunity to compare his experience and practice with the newest and best. Let this remarkable contribution to better and easier teaching help you.

For Teachers—By Teachers

THE CLASSROOM TEACHER was planned and written by teachers, solely for teachers. It required over \$500,000 to create it. Yet the cost to you is less than a cent a page. It is sold by teacher-representatives only—men and women who have met and solved the problems you are now facing. Let our local representatives tell you how **THE CLASSROOM TEACHER** can help you; let him show you the matchless scope, depth, and authenticity of this work. Write for free comprehensive booklet outlining departments, and explaining the things you want to know.

Go/GREAT NORTHERN

The New **ORIENTAL LIMITED**

for luxurious and economical travel

No Extra Fare!—Yet no de luxe train in America can offer you finer appointments, nor a more courteous, helpful service, than the Oriental Limited. A cafe diner, buffet, library, telegraphic news reports, club smoking room, boudoir lounge, shower baths, maid, hairdresser, manicurist, valet service—and other features—will make your trip one of long treasured delight.

You can always rely on the Great Northern for a high standard of service on all its trains. Maybe that's one of the reasons you hear it said so often, among people who travel a lot, "Go Great Northern."

For specific information, booklets, etc., write to
