STATE TEACHERS COLLEGE

ST. CLOUD, MINNESOTA

Vol. II No. 1

June 14, 1939

Welcome to the Summer Session of 1939! We hope your stay at the St. Cloud State Teachers College will be professionally and socially pleasant.

We have planned carefully and worked hard to provide a wide offering of subjects and to prepare a rich program of recreation and entertainment. The faculty has pledged its effort and ability to be helpful to you. In the same spirit that we offer the facilities of the college do we solicit your cooperation to make us more serviceable. Feel free to come to the faculty and administration with your problems and your suggestions. Only as individuals and institutions strive unselfishly to give and to receive the best can there be the desired growth and achievement.

We wish you a happy and successful summer.

Geo. A. Selke, President
