Notice to Student Teachers: Miss Paull's 7:10 Wednesday morning teaching conferences will hereafter be at 4:10 on Tuesdays, Room Q. (beginning December 10).

Attention L. S. A. Members: Instead of buying 10¢ gifts for our Christmas party on December 19, it has been decided that giving the money to the Goodfellows would be more worthwhile. You may give your dimes to anyone of the committee; Arnold Dahle, Maurice Rundquist, or Margaret Ann Bengtson between now and Dec. 19. If you cannot contact any of these, be sure you bring your contribution to the party. Names of donors will be printed in the Times.

Lost: Textbook of Physiology--Zoetnout and some other author. This book is the property of Mr. Lynch, but if found notify Betty Nolan, Box 252.

A fee of one dollar will be charged students who fail to take an examination as scheduled.

Grades for the fall quarter will be held in the Business Office for students who have any of the following charges: Library Fine, Textbooks not returned, and Fees in the Business Office.

Students who expect to graduate at the close of the winter quarter should see the Registrar not later than December 14.

Courses not completed at their conclusion for reason approved by the administration will be recorded as "Incomplete". Such "Incomplete" must be removed the next quarter of attendance. If not completed within the year, the "Incomplete" is recorded as a failure. Students who received an incomplete in any subject must make arrangements for make-up work with the instructor before the close of the third week of the next quarter.

Subjects may be dropped only with the approval of the adviser. Students who drop a course without permission will be dropped automatically from a second course and will receive a grade of "E" in each course. A student may drop a course during the first six weeks regardless of grade, but if he drops a course the last six weeks, he will receive a grade of "E" if his work is failing at the time.

Students are required to leave their addresses and telephone numbers at the telephone in the Business Office if they were not located when they registered. This is important because we frequently find it necessary to locate students when not attending classes.

Students will be permitted to repeat subjects totaling not to exceed sixteen quarter hours on the two-year or four-year course..

Students should inquire in the Textbook Library for lost books. Articles which have been lost may be claimed in the Business Office.
