MARIE E. CASE RESIDENCE HALL

W. W. HOLES RESIDENCE HALL

Buildings To Be Dedicated

MARIE E. CASE RESIDENCE HALL. Completed in September of 1964, this four-story building is the companion unit to Helen Hill Hall. The 200 men residents share a main lounge with women students in Hill Hall. Constructed at a cost of about \$590,000, the fireproof brick and concrete structure features single-loaded corridors. The building is financed by State College Board bonds which will be repaid from room rental income. It is located at Third Avenue So. and Fifth Street So.

PHILIP L. HALENBECK HALL. This spacious split-level brick and concrete structure was opened in June of 1965 to meet the college's needs in health, physical education, recreation and athletics. Covering more than a city block, it features a main gymnasium seating 7,000, a swimming pool with adjacent diving pool, classrooms, handball courts, dance studio, gymnastics room, wrestling room, two small gymnasiums, offices and lounge. The building will be the scene of many exciting basketball, wrestling and swimming events. It also will be used for special attractions such as commencements, conventions and convocations. The approximate construction cost was \$2,200,000. It is located at the southwest corner of the present campus.

W. W. HOLES RESIDENCE HALL. Four hundred women students are housed in this nine-story building, which is the tallest structure on the campus. Completed in September of 1965 at a cost of about \$1,200,000, the brick and concrete unit has its own fire fighting system, two elevators and a telephone in each room. The first floor serves as a commons, containing offices, lounge and recreation room. Each of the eight upper stories contains 26 double bedrooms and a study room built along single-loaded corridors. On each floor are central bathroom, laundry and supply facilities. Located at Third Avenue So. and Fourth Street So., the building is financed by State College Board bonds which will be repaid from room rental income. A companion structure being erected nearby is scheduled for completion by September of 1966.

PHILIP L. HALENBECK HALL

People Behind The Names

MISS MARIE E. CASE served on the St. Cloud State College faculty for 31 years -- from 1927 to 1958. Throughout this period she directed the women's physical education program and was chairman of the department from 1953 until her retirement in 1958. She served on the college's curriculum committee for six years and was faculty adviser for numerous extra-curricular activities for women students. She resides in St. Cloud.

DR. PHILIP L. HALENBECK has been a physician in St. Cloud for more than 38 years. In 1956, Dr. Halenbeck made funds available for academic scholarships offered by the college. He has been a member of the St. Cloud State College Foundation since it was founded in 1959. In 1963, Dr. Halenbeck helped the college launch its first major fund raising campaign with generous personal and financial support.

W. W. HOLES, a St. Cloud businessman, served for ten years as a member of the Minnesota State College Board. He was president of the board when the revenue bond program for non-academic buildings was initiated. Since leaving the board, Mr. Holes has continued his interest in public higher education in Minnesota and particularly in the development of St. Cloud State College.

W. W. Holes Residence Hall and Marie E. Case Hall will be open to visitors from noon until 2 p.m. Philip L. Halenbeck Hall will be open to visitors from 4 until 6 p.m. Student guides will conduct tours of the buildings.
