IF YOU LIKE IT...IT'S MUSIC. Carleton Smith believes that great music is an expression of universal human feelings... that understanding music, you understand life better. He has discussed this with many composers: Sibelius, Strauss, Ravel, Delius, de Falla, Paderewski, Stravinsky, Gershwin, Kern, Berlin. He tells many unknown facts about them and their music. He helps his audiences enjoy music. He demonstrates that what is important is not what your neighbors or the critics say, but what you feel...If you like it, it's music. S.T.C. Auditorium, 8:00 p.m., Tuesday, December 2.
